Title : To Create Scientific attitude by eroding superstition aptitude

Objective : It is a try to create Scientific attitude by eroding superstitious aptitude among the students

The Context:

S.G.R.G Shinde Mahavidyalaya is the last tip of Dr. Babasheb Ambedkar Marathwada University, Aurgngabad. It is semi-urban area surrounded by drought. In this area there is lack of enough sources of education, technology, and basic things. The people from this area have some faith, beleieves and many superstitious. The institute started this practice to create scientific attitude among the students and society. The institute every year organize programme through "Vivek Vashini" to meet the purpose. In the People from ANS (Andhashradha Nirmulan Samitee) conduct various activities to prove that how things are scientifically disapproved (Experts guidance and practical demo); they also gave lecture on various superstitious and what is the reality behind it. These people show practical experiments to prove superstitions are only in the mind of man and these superstitions are wrong. Even these people focus that superstitions are barrier of the progress of society and nation. The programmer is for one complete day and throughout the day the people form the ANS tries to erode superstitious aptitude and it is an honest try to create scientific, healthy, progressive aptitude in the society that help in the work of building nation.

Evidence of Success:

Due to initiatives of institute there are lots of changes in the society and in the students. The Students are scientifically observing things from society: even they are coming to root of the superstitious and disclosed the scientific truth behind this. For example previously students and people from the society believe that moon is God, they warship that moon; now students are observing moon scientifically and they got inspire to study astrophysics or they are very curious about the project of ISRO, NASA; even students are observing to many local superstitions and verifies these superstitions scientifically. In the institute there is always arrangement of live telecast of ISRO satellite lunch.

Problem Encountered and Resources Required:

The institute encountered many problems but main problem is deep roots of superstitions that graved in the mind of the people and students. At the time of conducting programmer it was difficult to convince students scientifically; so there is practical demo for student. The institution requires scientific equipment to demonstrate the superstitions, availability of experts in within a region, lack of basic enough technology to understand to global world.

Title: Empowerment of women

Objectives of the Practice:

To create awareness among the women about social, political, economic and educational rights by empowering them by providing education.

The Context:

"One is not born a woman, but becomes one" written by Simon de Beauvoir. The image of the women is socially constructed and this society is governed by patriarchal power. Women are suppressed, felt handicap and with lack of power and without any rights. The intention of the Institute is to empower women economically, socially by giving them education, guidance and some kind of training. The Institute has majority girls students from rural area; thus institute initiated this activity of create awareness and empower the girl students to stand firmly in this society. For that purpose, the Institute initiated and organizes various programmes, workshops, and seminars. The Institute has Anti-Sexual Harassment committee, Savitaribai Phule Yuvati Manch, Anti Ragging Committee to conduct various activities for girl students. By taking initiatives the institute organize programmes like "Panchayat Raj", "Chala Nirbhaya hou ya" for the women to create awareness about their rights.

Evidence of Success:

Due to this step of the Institute now there are majority girls students for all streams of society came in to main stream. Even in University result, Competitive Exam, Competition girls are doing their best and they are securing merit and awards. The student from science stream Miss. Priyanka Mishra secures a gold medal from Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. There are many girls qualifying different competitive exams, admitted to PG course at different universities and prestigious institutes; as a result, many of them placed in various top level posts. Few women from the village got elected in Panchayat Samitee election (Election for Village) and working as a Sarpanch (elected by government Head of the Village)

Problem Encounter and resources required:

The Institute tackles with many problems; the main problem is grave rooted patriarchal attitude; some superstitions and rules and regulations by masculine society to suppress women. At initial stage there was very few girls are admitted to have education; if girls are admitted for degree course they got married within a course of time; so there is a problem of incomplete education and dropout. Institution is also facing problem of girls' health, diet, development. The institution required well health facilities, government schemes for the development of girls, good transportation and healthy atmosphere for girls, special grants for government's grants to develop basic facilities for girls.

महिलांना बदनाम करण्याचा प्रयत्न गेल्या अनेक वर्षांपासून केला आहे – प्राचार्या डॉ.दीपा सावळे .

March 8, 2021 / Sakshi Pawan Jyot

परांडा – महिलांना बदनाम करण्याचा प्रयत्न गेल्या अनेक वर्षांपासून केला जात आहे त्यामुळे केवळ महिला दिना दिवशी महिलांचा सन्मान करणे हे कितपत योग्य आहे ,आजपर्यंतचा इतिहास पाहिला तर महिला अतिशय महत्त्वाचा समाजाचा घटक आहेत भितीपोटी महिलांच्या मध्ये अंधश्रद्धा निर्माण झाली आहे. पुरुषांनी कधीच अंधश्रद्धेच्या बाहेर महिलांना पडू दिले नाही . खरे तर पुरुषांनी ठामपणे महिलांना वास्तव सांगितले पाहिजे. महिलांनी स्वावलंबी आत्मनिर्भर बनले पाहिजे स्वतःला शिस्त लावली पाहिजे स्वयं नियंत्रण त्यांनी केले पाहिजे तरच महिला स्वतंत्रपणे आहे असे मत शिक्षण महर्षी गुरुवर्य रा गे शिंदे महाविद्यालयाच्या प्राचार्या डॉ दीपा सावळे यांनी रोजी

जागतिक महिला दिन आयोजित करत असताना विद्यार्थ्यांना मार्गदर्शन करताना वरील उद्गार काढले .
